## About us

Leading manufacturers of reliable food and fruit processing machinery since 1996.

30+ years of industry experience

Trusted by food industries across India

In-house manufacturing for durability

At Shri Industry Ichalkaranji, we've been manufacturing reliable food and fruit processing

machinery since 1996. With nearly 30 years of experience, we specialize in innovative,

user-friendly solutions that simplify operations for businesses across India.

What started as a "fresh graduate's" idea to ease coconut shredding at home has

evolved into a trusted brand powering food processing nationwide. We're committed to

delivering quality, durability, and performance — helping industries grow with confidence.
